Victoria's Secret *Mad for Plaid* Collection Winter 2021

Victoria's Secret is making a big statement this upcoming holiday season by launching their new *Mad for Plaid* winter collection. As the largest selling retailer of lingerie in the United States, Victoria's Secret strives to make this new collection all the rave this season.

The new festive goodies will be dropping December 10, 2021 in all retail stores across the globe as well as our online shop. This holiday collection will feature an assortment of bras, underwear, loungewear, pajamas, robes and lingerie.

The 2021 campaign ads show supermodels Taylor Hill and Bella Hadid showing off the new collection with all of the seasonal colors and shades featuring plaid and flannel patterns as well.

The pajama sets will range in a variety of sizes from XS-XXL. As for Victoria's Secrets iconic bras, there will be a style and fit perfect for every woman out there. Bra sizes will range from a 30 A to a 40 DD.

Given that women of all shapes and sizes shop at V.S. the company wants to remain as inclusive as possible, giving every woman the opportunity to not only look their best but mostly feel their best. The *Mad for Plaid* collection will be available until the end of January 2022.
